## How to Use the Mouse

If you know how to use a mouse, please select the **Next** button to proceed.

Navigation buttons and functions on the computer screen can be selected by either using the mouse or the keyboard. A mouse looks like this:

The mouse can be moved by resting your hand on the mouse and sliding it slowly on the mouse pad. Slide the mouse left or right with its buttons facing away from you. Notice what happens to the arrow on the screen when you move the mouse. If you run out of room on the mouse pad, lift the mouse and move it back to the center of the mouse pad. Practice moving the pointer around on the screen and pointing to each of the navigation buttons on the bottom of the screen.

To select a navigation button, slide the mouse on the mouse pad until the pointer is directly over the button along the bottom edge of the screen. Then gently press and release the LEFT mouse button.

Use your mouse now to select the **Next** button to proceed to the next screen.

Use the following buttons  
to toggle back and forth

## Time and Progress

At any point in the exam, you can see how much time you have remaining in the upper corner of the screen. Just below the time remaining, you will see your progress through the exam. For example, ["x of x"] indicates that you are viewing the [x] of [x] questions or screens.

You can minimize the time remaining and the question number reminders by selecting them. To restore them at any point, select on the icons  and .

During the exam, when you have five minutes remaining, the time remaining will automatically reappear and remain maximised.

## Navigation

The **Previous**, **Next** and **Navigator** buttons on the bottom of the screen will be available throughout the exam.

**Next** moves you from screen to screen.

**Previous** moves you back one screen.

**Navigator** moves you to the question number selected.

## Using the Scrollbar

Some exam items may not fit on the screen. For these items, a scrollbar will appear along the portion of the screen that can be scrolled. To reveal the rest of the item, either use the mouse to select and drag the scrollbars, or select on the arrows on either end of the scrollbar.

For some exams, if you attempt to complete an item without scrolling to the bottom of the screen, a user prompt may appear to remind you to scroll down before completing the item.

To close the user prompt, select **OK** and then scroll down the page to reveal the remainder of the item. Be sure to read all the information carefully and then proceed to the next item.

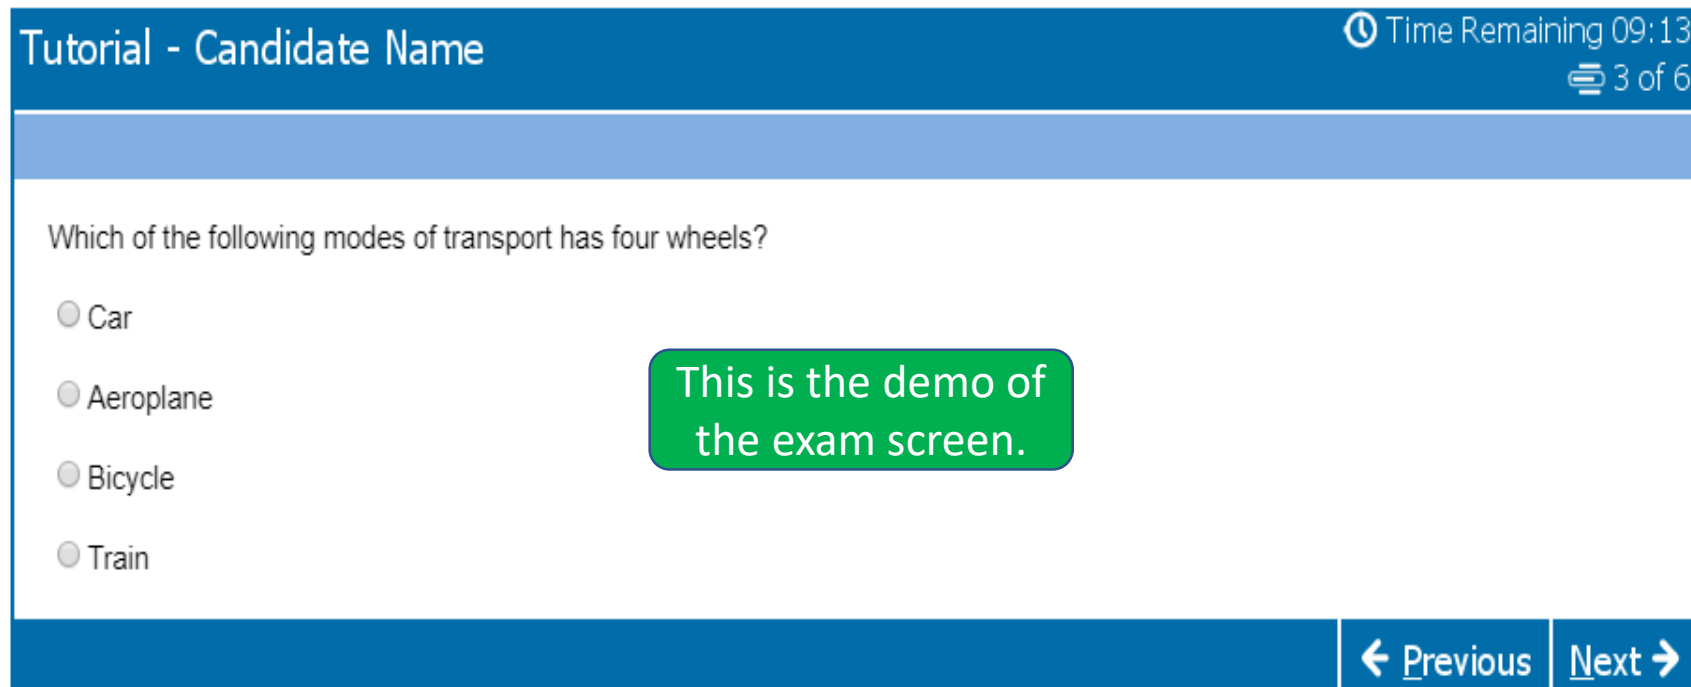

Select the **Next** button to continue.

## Multiple Choice Questions - Single Answer

A multiple choice question with a single answer appears like this on your screen:

Use the mouse to select the radio button next to the correct option.

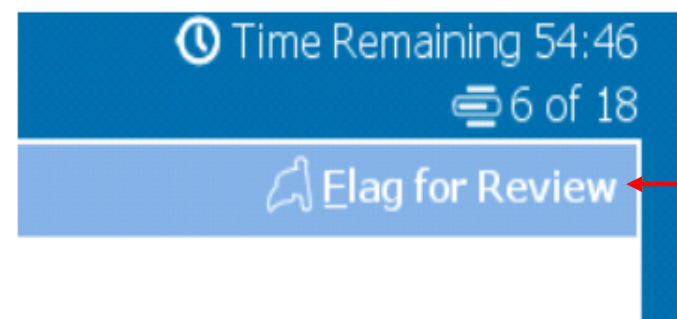

The screenshot shows a simulated exam interface. At the top, a blue header bar contains the text 'Tutorial - Candidate Name' on the left and 'Time Remaining 09:13' and '3 of 6' on the right. Below the header is a light blue horizontal bar. The main content area is white and contains the question: 'Which of the following modes of transport has four wheels?'. Below the question are four radio button options: 'Car', 'Aeroplane', 'Bicycle', and 'Train'. A green callout box with white text is positioned over the options, stating 'This is the demo of the exam screen.' At the bottom of the interface, there is a dark blue bar with two buttons: '← Previous' and 'Next →'.

Select the **Next** button to continue.

Use the following buttons to toggle back and forth

## Flag for Review

Your exam allows you to flag items that you want to return to later. To flag an item, select the button in the upper corner labeled **Flag for Review**. If you flag an item for review, a flag will appear next to that item on the review screen.

Review of items must be done during the testing time. You can select items for review whether you have answered them or not.

To flag an item for review:

- Use the mouse to move the pointer to the **Flag for Review** button and then select the LEFT mouse button.

A flag image will appear within the flag outline when the item has been flagged for review. If you wish to unflag the item, select the **Flag for Review** button again and the flag image will disappear.

When you reach the last question, press the **Next** button to move to the Review Screen.

Select the **Next** button to continue.

Use the following buttons to toggle back and forth

## Using the Review Screen

When item review is allowed, the Review Screen is automatically displayed at the end of the section.

If you checked the **Flag for Review** button on an Item Screen, a flag appears beside that item on the Review Screen. In the example below, items 3 and 6 were flagged for review. Unanswered items are displayed as "Incomplete."

From the Review Screen you can review items in a number of ways. The following buttons are available on the Review screen:

**Review All** Select to review all the items and answers in the section.

**Review Incomplete** Review only the items that were left incomplete.

**Review Flagged** Review the items that are flagged for review.

You can select or deselect additional items to be flagged by selecting on the flag outline besides the item number.

If your exam has item review, a **Review Screen** button may appear on each screen of the section in review mode. When this button is provided you can access the Review Screen at any time during the section
