About Sathyabama Institute of Science & Technology (Deemed to be University)

Sathyabama Institute of Science & Technology (Deemed to be University) established under section 3 of UGC Act, 1956 (A Christian Minority Institution) was formerly known as Sathyabama Engineering College established by SATHYABAMA EDUCATIONAL TRUST. It is a pioneer institute imparting quality education in the field of Engineering, Science & Technology. The institution's progress and contribution in the field of technical education for over two decades made the Ministry of Human Resources Development, Government of India to grant Deemed University status on 16th July 2001 and University status on 13th September 2006. Sathyabama is under the blessings of our Founder Chancellor **Colonel Dr. JEPPIAAR M.A., B.L., Ph.D** and dynamic leadership of our Chancellor **Tmt. Remibai Jeppiaar**. Sathyabama strengthens its development activities to bring the fruits of research for the betterment of the society with the able support and valuable guidance of Pro Chancellor, President, Vice-Chancellor, Pro Vice Chancellor, Registrar, Controller of Examination and Deans. The University has been awarded category "A" University status by MHRD, Government of India. Sathyabama has undertaken various sponsored and collaborative R&D projects funded by national organizations such as ISRO, DST, DBT, DRDO, BRNS and IGCAR.

About Department of Mechanical Engineering

The Mechanical Engineering Department, established in the year 1988 is one of the first departments in Sathyabama University and has been offering B.E. degree programme in Mechanical Engineering, M.E. degree programmes and Ph.D Research programmes. The department has seen a tremendous growth over the last two decades with faculty members doing their doctoral research in various fields of Mechanical Engineering. The department has state of art laboratory facilities to give a

wide exposure to the students for practical knowledge and hands on experience and also to cater the research needs of students and faculty members. We enjoy a symbiotic relationship with many leading institutions and industries in and around Chennai. In line with our policy of keeping abreast with the latest development, by the collective and responsive effort of the faculty the department conducts workshops, symposia, National and International conferences.

Paper Are Invited But Not Restricted To The Following Themes

- Applications of AI Techniques in Design & Manufacturing
- Applied Mechanics
- Biomechanics
- Design & Manufacturing
- Fatigue & Fracture
- Alternate Fuels
- Bio-Energy Production
- Computational Fluid Dynamics
- New & Renewable Energy
- Heat and Mass Transfer
- Advanced Manufacturing Technology
- Advanced Material Processing and Properties
- Automation, Mechatronics and Robotics
- Composite and Smart Materials
- Nano Technology
- Elastic Mechanisms

Guidelines For Preparing Paper

The paper must be written in English limited to a maximum of 6 pages including references and must conform to IEEE double column format. Soft copy (.doc) of the paper should be sent to the convener at: ncetime@sathyabama.ac.in
