## Summer training program on 'Cell and Molecular Biological Techniques'

Cell and molecular biology is an important field of science for understanding the molecular events in the cells. Identification of molecular mechanisms and protein targeting is achieved only with the help of Cell and Molecular Biological techniques such as, Agarose gel electrophoresis, Cloning, SDS-PAGE, Immunoblotting, Histology, Immunohistochemistry, Metaphase spread and Immunofluorescence. These techniques are important to study the expression pattern of specific proteins and its localization in the cells/tissues.

In this context, Sathyabama Institute of Science and Technology is organizing 10 days **Summer training program on 'Cell and Molecular Biological Techniques'** from 14<sup>th</sup> to 23<sup>rd</sup> May, 2019. We welcome the participants from the field of life sciences to learn the basic techniques in 'Cell and Molecular Biology'.

LAMIN A

### Who can attend?

Research Scholars, UG/PG (Life sciences) Students from Universities/Colleges/Research Institutions, R&D Organizations and Industries, interested to learn the molecular biological techniques can apply.

### Registration:

Filled in application form should be sent in the prescribed format along with the registration fee of **Rs 5000/-** by DD drawn in favor of "**Sathyabama Institute of Science and Technology**", payable at **Chennai**.

### Contact us:

#### Organizing Secretary:

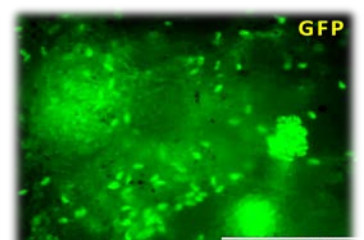

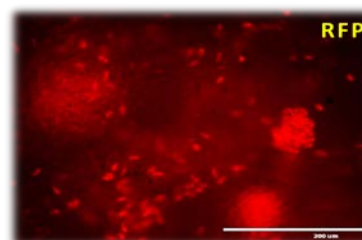

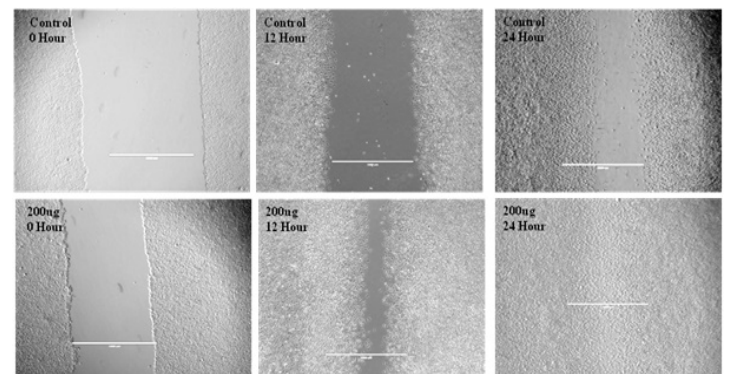

**Dr. T. Sasipraba,**

Pro-Vice Chancellor,  
Sathyabama Institute of Science & Technology,  
Chennai – 600 119. Email: [provvc@sathyabama.ac.in](mailto:provvc@sathyabama.ac.in)

#### Conveners:

**Dr. S. Johnson Retnaraj Samuel & Dr. S. Jackson Durairaj**

Scientist - C,  
Regeneration and Stem Cell Biology Lab,  
Molecular & Nanomedicine Research Unit,  
International Research Centre,  
Sathyabama Institute of Science & Technology,  
Chennai – 600 119.  
Mobile: 8012261482.  
Email: [johnnbt@sathyabama.ac.in](mailto:johnnbt@sathyabama.ac.in)

Summer training program on 'Cell and Molecular Biological Techniques'

## REGISTRATION FORM

Training program dates: 14.05.2019 to 23.05.2019

Nature of Participant : Research Scholars\*/UG-PG Students\*/ Industries/Faculties & Scientists /Others

Name :

Designation :

Institute/Company :

Address :

City :

Pincode:

Country :

Phone (with area code):

Mobile:

E-mail :

Demand Draft Details :

DD. No. :

Date :

Amount :

Name of the Bank & Place :

Shared Accommodation Required : Yes/ No

\*Enclose ID-card / Certificate from institute.

Place:

Date:

Signature of the Participant
