

# SATHYABAMA

INSTITUTE OF SCIENCE AND TECHNOLOGY

[Deemed to be University]

Accredited with Grade 'A' by NAAC

Jeppiar Nagar, Rajiv Gandhi Road, Chennai-600119

Centre of Excellence for Energy Research

jointly with

Centre for Waste Management

organizes

## One Day Hands-on Training on Gas Chromatography -TCD/FID

*Analysis of Major Solvents, Esters and Gases made simple*

GC-TCD/FID is used for the identification and separation of volatile and semi volatile organic compounds in a complex mixture of samples.

### Training Dates

29/03/2019      26/04/ 2019

11/05/2019      17/05/2019

### Registration fee

Students /Scholars: 600 INR

Academicians : 1000 INR

Industrial Participants/Other Labs: 1500 INR

- Registration fee can be paid by cash or DD drawn in favor of Sathyabama Institute of Science and Technology, payable at "Chennai"
- The Registration fee includes Training kit, softcopy of training manual, refreshment and lunch
- Certificates will be issued to all the participants
- 20% discount on consultancy can be availed

### Training Highlights

- Beneficial to the people who are willing to enter the analytical testing laboratories, industries which relate to chemicals, pharmaceuticals, food, oils, agriculture, cosmetics and many others.
- Training course will cover practical aspects of Gas chromatography, sample preparation and process, Method development, Qualitative Analysis and Spectral interpretation.
