

### About the University

Sathyabama University (A Christian Minority Institution) formerly known as Sathyabama Engineering College was established in 1987 by Col. Dr. Jeppiaar. It is a premier institute imparting knowledge in the areas of engineering, science, technology and education on par with international standards. Untiring efforts of staff, students and management and positive academic ambience prevailing in the campus had made University to be ranked as 2nd among Private Universities in Tamilnadu by National Institutional Ranking Framework, Ministry of Human Resource Development, Government of India. The University also been declared as one among the top 31 universities by the Times Higher Education Ranking. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis. Having acquired excellence in the academic part of education with all sophisticated facilities available, the University has established several research centers in the field of Remote Sensing & Geo Informatics, Nano Technology, Ocean Research, Water Research, Robotics, Earth & Atmospheric Sciences, Non Destructive Testing & Waste Management in collaboration with esteemed National Research organizations and are progressively working towards innovation in the field of Science & Technology. The University has been accredited by National Assessment and Accreditation Council (NAAC) and ISO 9001: 2008 Certification for Professional Quality Management Practices. The University has undertaken various Sponsored and Collaborative Research and Development projects funded by national organizations such as Indian Space Research Organization (ISRO), Department of Science and Technology (DST), Indira Gandhi Centre for Atomic Research (IGCAR), Defence Research and Development Organization (DRDO), Department of Bio-Technology (DBT), Ministry of Environment and Forests (MoEF), Board of Research in Nuclear Sciences (BRNS) etc., The University holds great promise to expand the applications of space technology, benefiting the common man and enriching the quality of life.

University has written a special page in the history of space research on 22nd June, 2016 with the launch of "SATHYABAMASAT" in association with ISRO.

### IQAC at Sathyabama University

The Internal Quality Assurance Cell has been restructured and positioned in the Administrative Block with effect from December, 2016. Each School has a Quality Circle Member. IQAC is proactive and vibrant. Its functions includes arranging periodic quality related workshops, academic auditing, feedback from the stake holders, etc for the continuous improvement in overall performance of our University. The Internal Quality Assurance Cell has been instrumental in exercising innovative teaching learning process among our academic community and enabling the students to identify and equip themselves with the required skill set to meet the needs of placement companies.

#### Themes of the Conference

- Preparation for NAAC Audit - Autonomous Institutions, Affiliated Colleges, Deemed Universities.
- Internal and External Academic Auditing - Parameters, Formats, Experts – Efficient usage of outcome.
- Identification of new strategies for enhancement of quality for both teaching methodology and evaluation.
- Setting up of suitable Mechanisms to monitor the Quality Enhancement of Faculty members and students.
- Bridging between industry and academia.
- Special session on sharing the best practices followed in the respective institutions - Best team will be awarded
- **Note:** Entry and exit level questionnaire on NAAC related process and terminologies is also planned for the participants.
