MOTTO OF NCC: UNITY AND DISCIPLINE

National Cadet Corps (NCC) Army wing, Sathyabama Institute of Science and Technology, belongs to 1 (TN) Medical Unit NCC. With the blessings from our Founder Chancellor Col. Dr. JEPPIAAR., M.A., B.L., Ph.D., Army Wing NCC was started in the year 2012.

Our NCC activities are executed with the strength of 50 **Army Wing cadets** headed by **Associate NCC Officer Lieutenant Dr. P. Chandrasekar**. All our NCC activities are closely monitored by our **Commanding Officer Major Joshan Thomas** and **Adam Officer Capt. Ajay Pavithran**. 18 parades (105 Periods) are to be conducted every year, each parade consisting of 6 periods. Officers and Posted Instructional Staffs **from 1 (TN) Medical Unit NCC** are giving the training to our cadets with great enthusiasm and zeal. In addition to that Adventure, Social and Regular NCC activities are being carried out by our Associate NCC Officer and NCC Cadets.

BENEFITS OF JOINING ARMY WING NCC:

WHY TO JOIN NCC? "AS A ARMY WING NCC CADET YOU WILL":

1. Get a chance to represent Tamil Nadu in Inter Directorate Competitions and Republic day camp at Delhi.
2. Be able to visit places, participate in national level camps, trekking & mountaineering and participate in nation building community services.

MERITS OF ARMY WING 'C' CERTIFICATE:

1. 100 Vacancies every year for NCC cadets in officers training academy (Army) Chennai.
2. No AFCAT / UPSC written examination, direct SSB interview.
3. Preference is given by various state Governments to the NCC 'B'/'C' certificate holders for recruitment in following departments : Police service, Transport department, Forest department, Excise department, etc., & other private multinational companies prefer NCC certificate holders for recruitments.

ACTIVITIES EXCLUSIVE FOR ARMY WING NCC CADETS:

Map Reading

Firing and Radio Communications (Wi-fi, firing order Control Order)

COMPETITIONS IN ARMY WING NCC:

- | | | | |
|-----------|------------------|------------------------|---------------------|
| 1. Sports | 2. Skeet Firing | 3. Range Firing (.22") | 4. Physical Fitness |
| 5. Drill | 6. Tent Pitching | | |

Aatmanirbhar Bharat
— P. V. Jagadeesh, (NIPROF761324)

Aatmanirbhar Bharat :-
"Aatma Nirbhar", which is a Hindi word meaning in English is "Self Reliant" which also refers self dependency on other or don't be dependent of other. 'Aatma Nirbhar Bharat' is basically a term formulated at the time of pandemic COVID-19 in India. It is actually the vision of our honorable Prime Minister Sri Narendra Modi ji to make India and Indians self-reliant by starting production of all mandatory items locally.

Motiv Behind Aatmanirbhar Bharat :-
India is dependent on lots of imports from many countries across the world and pays a large import bill. In comparison to export. During the time of pandemic all the import and export activities across the world was on halt. Transportation on goods and services were stopped. Then it was very difficult to live without resources as import of goods were not possible due to termination of transport activities.

India faced problems in terms of shortage of hospital beds, PPE kits, Covid test kits, medicines, ventilators and other necessary respiratory and medical equipments. We realized that it is the time for us to depend upon indigenous innovation, products and local manufacturing to fulfill the demands and promote production of these items in the country. Our Prime Minister Shri Narendra Modi started 'Aatma Nirbhar Bharat' Campaign.

He defined the five pillars of Aatmanirbhar Bharat to boost the economy and to turn difficulties into opportunity.

The five pillars of Aatma Nirbhar Bharat :-

- * Economy
- * Infrastructure
- * System
- * Vibrant Demography and
- * Demand

On 12 May 2020, our Prime Minister raised a historic call to the nation giving a kick start to the Aatma Nirbhar Bharat Abhiyan and announced the special economic and comprehensive package of ₹1.7 lakh crore equivalent to 10% of India's GDP to fight COVID-19 pandemic in India. Finance Minister further announced Government reforms and changes across seven sectors under Aatmanirbhar Bharat.

Aatma Nirbhar Bharat actually means that we can also produce the product indigenously, what we need and eventually play a large role in the global economy by exporting the product. This was the real vision of Aatma Nirbhar Bharat.

Ayushman Bharat

AYUSHMAN BHARAT PRADHAN MANTRI
JAN AROGYA YOJANA

- F/C SSINDU
TN 19 SWF 961322

Ayushman Bharat

This is a national health insurance scheme of the state that aims to provide free access to healthcare for low income earners in the country. Roughly the bottom 50% of the country qualifies for this scheme. The scheme Ayushman Bharat was launched on 25th September, 2018, by Ministry of health & family welfare.

Features

PM-JAY include the following providing health coverage for 10 crore households or 50 crore Indians, providing a cover of 5 lakh rupees per family per year for medical treatment in hospitals both public & private sector.

It reaches to the people both in states & union territories it even reaches to the local people also more than 1 crore people are benefited by the scheme, offering cashless payment & paperless record keeping through the hospital or doctor's office, there have no restrictions on family size, age or gender all previous medical conditions are covered under this scheme. It covers 3 days of pre hospitalisation & 15 days of post

of post hospitalisation. It also provides access to a free COVID-19 testing.

Despite various available regional and national programs for healthcare in India, there was much more to be done. The number of public and private hospitals increased nationwide stands at 24,452. The Ayushman Bharat Yojna programme announced a special collaboration with the Employees' State Insurance programme in November 2019.

Recording You are viewing CADET Annaliza's screen View Options 00:23:31

WHY WAS THE WAR HELD AT KARGIL?

- ❑ The terrain was conducive to the preemptive seizure of several unoccupied military positions.
- ❑ A defender on the high ground would enjoy advantages akin to that of a fortress.
- ❑ Kargil is just 173 km from the Pakistani controlled town of Skardu.

MADRAS 'A' GROUP
SATHYABAMA INSTITUTE OF SCIENCE AND TECHNOLOGY

Adventure

NEWSLETTER MOUNTAINEERING AND TREKKING EXPEDITION

The aim of organizing these treks for NCC cadets is to inculcate spirit of adventure, exploration, inquisitiveness and practical investigation among the cadets. HQ DG NCC provides opportunity to the NCC cadets to undergo specialized courses in mountaineering at some of the recognised institute. In past few years, India has emerged as a popular destination among adventure lovers. While some adventure sports like scuba diving, snorkeling and paragliding are new, others like trekking and skiing have had quite a history in the country. The states of Jammu and Kashmir, Himachal Pradesh, Sikkim and Uttarakhand are among the most popular places where mountaineering adventures in India can be experienced.

Best Time to go for Mountaineering in India

Most of the aforementioned treks are organised in summer between the month of May and November as during winter, the fresh snow makes mountaineering exponentially difficult. Snowfall also makes some villages and mountains passes inaccessible, putting a restriction on those and mountaineering event's that go through such places.

NCC has been conducting two mountaineering expedition every year, one each year for the girl and boy cadet's. Since 1970, the NCC has conducted 75 Mountaineering expedition of which 40 were for boys and 35 for girls'. Mt Rudgaira (5819m), Mt Deo Tibba (6001m), Mt Gangotri (6672m), Mt Karnate(7746m) are some of the mountains that have been scaled by NCC cadet's. History was created when the first ever Mt Everest Expedition of NCC cadets boy's scaled the world highest peak in two batches on 19 and 20 May 2013.

NCC is training a NCC girls expedition to climb Mt Everest (8848m) in 2016.

All India Trekking Expedition, 29 Trekking expedition are conducted annually with participation of 14500 cadet's from all state Directorate.

ADVENTURE BASED LEARNING

Adventure is the life blood of youth. Adventure training in the NCC provides knowledge to cadet's of the topography as well as experience of different weather conditions and adventurous living under camp conditions. As it is difficult to get the top Himalayan mountain, Mount Everest is also the biggest dream of many climbers who want to finish their career with such a climbing experience that requires overcoming the obstacles that their bodies build.

MOUNTAINEERING AND TREKKING

Good words for Great Souls

We went to an adventure activitie during my ncc life it is mountaineering and trekking let me share you my experience. when I was climbing the mountain, I thought that hoo it will be so risky thing to do but when ever you are enjoying the climbing it's very very Happs day to enjoy the wether. I had a word with my self that is, it's not the altitude that makes much of different for the climber but it's the skill and proper technique which helps them to go on and on. They feel that they can't take another step forward. Their response... I have to give it I will 'Climbing well means climb as much as you can it's a Great opportunity to participate in this type of adventures activities during NCC

Introduction

One of the most memorable days in Indian history is 15th August. It's the day on which the Indian sub-continent got independence after a long struggle. India only has three national festivals that are celebrated by the whole nation as one. One being the Independence Day (15th August) and the other two being Republic Day (26th January) and Gandhi Jayanti (2nd October). After independence, India became the largest democracy in the world. We fought very hard to get our independence from the Britishers.

Happy Independence Day

23. Date : 18 Sep 2021
Event : Career in Armed Forces
Venue : Cadets at Home - Online

Participated : ANO Lt. Dr. P. Chandrasekar & 34 Army Wing Cadets
Program : We the NCC Cadets of Sathyabama Institute of Science and Technology under the guidance of Associate NCC Officer Lieutenant Dr. P. Chandrasekar, attended a webinar on "Career in Armed Forces" and Ex-NCC Cadet of Sathyabama; Cadet Captain Chintham Pothuluri Saieswar Reddy as the speaker of the day. Students from BSc, MSc, Science department and other faculty members also participated in the webinar. The session was very informative and helpful. The topics covered were Armed Forces as a career, Armed Forces entry schemes (for 10+2, Women, University Students and NCC Special Entry), NDA and NA examination, and the SSB schedule.

The poster features the Sathyabama Institute of Science and Technology logo and NCC logo at the top. The main title is "National Cadet Corps" in red and blue, followed by "ORGANISES ONLINE WORKSHOP ON CAREER IN ARMED FORCES". Below this, it says "Session Handled by:" and includes a portrait of Cdt Capt Chintham Pothuluri Saieswar Reddy, B.E. The bottom section is yellow and contains the date "18 Sep 2021, Saturday, 1630 - 1730 Hrs", a Zoom link "https://tenacityhr.com/stm-zoom/career-in-armed-forces/", and a list of organizers and conveners.

The screenshot shows a Zoom meeting interface. On the left, a presentation slide titled "NDA & NA EXAMINATION" lists the following details:

- ✓ Male Candidates (Only)
- ✓ Age - 16 ½ years to 19 ½ Years on the date of Joining
- ✓ Notification - Twice a year
- ✓ NDA-I - Dec - Jan
- ✓ Exam Date - April
- ✓ NDA-II - June - July
- ✓ Exam Date - September
- ✓ Educational Qualification : 10+2 or Appearing

On the right, a participant list is visible. The name "sai eswar" is highlighted with a yellow box. Other participants include Priyadarshi, Priyadarshini Dash, V Jayaprakash, Parkavi V, Yogi B, Vijay Chowdary, Aarthi, Kathula, and JANAARDH.

The slide features the Indian Air Force (IAF) logo on the left. The text on the slide is as follows:

- The Indian Air Force (IAF; IAST: Bhāratīya Vayu Senā) is the airarm of the Indian armed forces.
- It is the world's fourth largest air force in terms of both personnel and aircraft.
- Its primary responsibility is to secure Indian airspace and to conduct aerial warfare during a conflict.

A "REC" indicator is visible in the top left corner, and a video camera icon is in the top right corner.

DEVELOPMENT OF INDIA SINCE 1950

Constitution -declares India a **SOVEREIGN, SOCIALIST, SECULAR AND DEMOCRATIC REPUBLIC.**

As of October 2021, there have been 105 amendments of the constitution of India.

On the Republic Day, the Indian Air Force came into existence. Before this, the Indian Air Force was a controlled body but after Republic Day, Indian Air Force became an independent body.
