MINUTES OF THE 19th BOARD OF RESEARCH MEETING HELD ON 16th APRIL 2021, THROUGH VIRTUAL MODE, SATHYABAMA INSTITUTE OF SCIENCE AND TECHNOLOGY, CHENNAI @ 10.00 A.M.

The Board of Research meeting was held on 16th April, 2021 convened by the Director (Research).

MEMBERS:

Internal Members:

- | | |
|------------------------------|---|
| 1) Dr. T.Sasipraba | Vice-Chancellor - Chairman |
| 2) Dr. E. Logashanmugam | Pro Vice-Chancellor |
| 3) Dr. Wilson Aruni | Pro Vice-Chancellor |
| 4) Dr. S.S. Rau | Registrar |
| 5) Dr.B.Sheela Rani | Director(Research) – Member Secretary and Convener |
| 6) Dr. G. Sundari | Director (Administration) |
| 7) Dr. S. Igni Sabasti Prabu | Controller of Examination |
| 8) Dr. N. M. Nandhitha | Dean (School of Electrical and Electronics Engineering) |
| 9) Dr. S. Prakash | Dean (School of Mechanical Engineering) |
| 10) Dr. Bhuvaneshwari | Dean (School of Management Studies) |
| 11) Dr.T.Sasikala, | Dean (School of Computing) |
| 12) Dr. Dilshad Shaik, | Dean (School of Law) |
| 13) Dr. Thayumanavan | Dean (Dental College and Hospital) |
| 14) Dr.J.Karthikeyan | Intevitee, Associate Professor, Dept. of Chemistry |

External Members:

- 1) Dr. S. Bose, Professor, DCSE, CEG, Anna University, Chennai.
- 2) Dr. R. Govindaraj, Senior Principal Scientist, CEERI, CSIR Madras Complex, Taramani, Chennai.
- 3) Dr. A. Velayudham – Visiting Professor, Dept. of Manufacturing Engineering, CEG, Anna University, Chennai & Scientist 'G', (Retd.), Additional Director (Mfg.), CVRDE, DRDO Min. of Defence, Avadi, Chennai.
- 4) Dr. Mukesh Doble –Professor, Indian Institute of Technology Madras, Chennai.
- 5) Dr. M. Alagar, Professor of Chemistry(Retd), Anna University, Chennai.
- 6) Dr.M.Pradeep Kumar, Professor, Director, AU-FRG Institute for CAD/CAM, Dept. of Mechanical Engg., College of Engineering, Guindy, Anna University, Chennai.
- 7) Dr.M.Mathirajan, Chief Research Scientist, Department of Management Studies, Indian Institute of Science (IISc), Bangalore.

The Vice Chancellor greeted everyone and informed that this is the second meeting being conducted online due to COVID-19. She appreciated the research contribution given by the faculty towards publications and projects. Due to sad demise of one of our member Dr. E. Natarajan, Professor & Dean, CEG, Director, Institute for Energy Studies, Anna University, Chennai and to pay respect to his soul a one

B. Sheela Rani
(Member Secretary)

minute silence was observed. She introduced and welcomed the new member Dr.M.Pradeep Kumar, Professor, Director, AU-FRG Institute for CAD/CAM, Dept. of Mechanical Engg., College of Engineering, Guindy, Anna University, Chennai and opened the floor for discussion on various points of the agenda. Director (Research) presented the report on the academic research activities for the last six months time period.

BOR 19.1

Academic Research activities for the period September 2020 – March 2021

Ph.D Admissions

For the session January 2021, as per UGC guidelines on Examination (D.O.No F.1-1/2020 (Secy),dated 29th April 2020), considering the situation of COVID-19 pandemic, the selection for Ph.D Admission for January 2021 is based on Online Entrance Examination followed by Virtual Screening Presentation which was held on 9th and 10th January, 2021. **5 candidates** have registered under Full-Time mode, **1 Candidate** registered under Part-Time (Internal) mode and **85 Candidates** have registered under Part-Time (External) mode.

Supervisor Recognition:

23 Faculty have been recognized as supervisors for the year **2021**. **4** from Faculty of Computer Science and Engineering, **4** from Faculty of Electronics Engineering, **1** from Faculty of Electrical Engineering, **3** from Faculty of Mechanical Engineering, **1** from Faculty of Architecture, **1** from Faculty of Bio Engineering, **1** from Faculty of Business Administration, **1** from Faculty of Science and Humanities (English), **1** from Faculty of Science and Humanities (Mathematics), **1** from Faculty of Science and Humanities (Physics), **1** from Faculty of Science and Humanities (Chemistry), **1** from Faculty of Science and Humanities (Life Sciences), **3** from Faculty of Science and Humanities (Management Sciences).

Defending Viva Voce Examination

For the academic year **2019 – 2020**, on account of COVID, **e-Convocation was held on 18-09-2020**. 134 candidates have been awarded with Ph.D degree. As per the recommendations given by the Board of Research members, Col.Dr.Jeppiaar best thesis award was given to **Dr.Sudha Uthaman**, under the Faculty of Science and Humanities (Life Sciences) based on the criterion 1. Publications - High IF, CIF, Citation 2. Impact on Research 3. Impact on Society 4. Comments from Indian and Foreign Examiners.

For the academic year **2020 – 2021** to till date, 63 candidates have been recommended for award of Ph.D degree to the board, based on the research scholar's work, Indian and Foreign Examiners reports and on conduct of successful defending Ph.D viva-voce examination.

Page 2

Action taken by BOR members during the period Nov/Dec 2020 for the following Special cases

Case 1 : Decision for admission to Ph.D Programme with Bachelor's degree and R&D experience.

As per the University regulations, Bachelor's Degree in Engineering/Technology of the institute or any other qualification recognized as equivalent thereto in the field of study with a minimum of 10 years of R&D experience in National Research Laboratories/ Public sector undertakings with minimum of three publications in refereed journals or two international patents in the last five years.

Name of Candidate Mr. R. Bibraj

Credentials of the candidate.

Qualification : B.E (E&I) First Class with Distinction

Experience : 10 Years

(2010 – 2012 – Honeywell Technology Solutions,

2012 – 2014 – Trane Design Centre

2014 – 2015 – Danfoss Industries

2015 – Till Date – IMD MoES Govt. of India)

Official Designation : Scientist C, Cyclone Warning Centre, Vishakhapatnam.

Publications : 3 Scopus Indexed Journals (2 Published and 1 Accepted).

Case 2 : Candidate has completed Synopsis meeting but huge delay in thesis submission. Hence registration has been cancelled. Decision to be taken on the procedures to be followed whether candidate can submit thesis or to register with fresh registration.

Name of the Candidate : R.KARTHIKEYAN

Registration No. 2008792107

Faculty : Electronics Engineering

Title of Research : Obstacle Avoidance And Path Planning Using Adaptive Dynamic Programming and Reinforcement Learning In Indoor Environment

Date of conduct of Confirmation meeting : 20.07.2011

Date of Conduct of Synopsis meeting : 23.06.2017

Publication details: 2 Scopus indexed journals and 2 IEEE Conference.

BOR members suggested to get the recommendations from Board of Management.

Approval given in the 59th Board of Management meeting

(Ref:Item no 59.6 - 59th Board of management meeting dated 16-3-2021)

The Director Research placed on record that 52 candidates have completed their Ph.D. after the virtual convocation that was held in September 2020. All the other research activities like Ph.D. screening and course work exams were conducted online with the help of LMS. Citing the minutes of the Board of Research, the Director Research requested the approval of the Board of Management for permitting a candidate with Bachelor's degree in Engineering for pursuing Ph.D., as the candidate had 10 years of R&D experience in National Research Laboratories/ Public sector undertakings with publications in refereed journals in the last five years

Responding to this, Dr.Pattnaik advised that an **Equivalence committee be constituted** which would evaluate and certify the candidature. Adding to this, Dr.Sanjay recommended that the Dean be the Chair with an Academic council member in the Equivalence committee. Also Dr.Sanjay insisted on the inclusion of a retired Vice Chancellor which would help in taking pragmatic decisions. The Director Research also tabled another candidates issue who had submitted the synopsis but delayed the process

of thesis submission due to family reasons. As it has been 13 years now, the Director Research wanted the board to ratify and take a decision on the candidature. Advising on this, Dr.Sanjay recollected an analogy wherein the candidate was permitted after validating the work. **The competence and genuineness of the candidate maybe established after which he/she be permitted to submit the thesis.** Further, Dr.Pattnaik referred to the condonement of the Vice Chancellor which can be applied in this context. Also it was recommended that a golden chance declaration be introduced to the guidelines.

Hearing to the recommendations of the BOM, the member Dr.Alagar, suggested that if a candidate is taking a huge delay in submission of thesis, a final chance can be given to submit and present the work to an Expert Committee and get the recommendations, provided the candidate has the bonafide thesis completed in all aspects.

Dr.Mathirajan suggested, to allow the students to submit a draft thesis, directly to the Director (Research) of the University by paying the dues (that is all the fees for the periods). After the submission, his/her thesis should be reviewed by the set of experts, who are formed by the Director (Research). Once the experts accepted the draft thesis based on their assessment, then the Director (Research) could forward the thesis to the potential examiners for the formal evaluation. This suggestion was given based the procedure at IISc and IITs.

Further for Case 1, forming equivalence committee will lead to subjectivity. Dr.Mathirajan, suggested to consider Bachelor's degree and R&D experience candidates for external PhD program subject to allowing them to credit more number of courses comparing with Master's degree and R&D experience candidates. The procedure at IISc and IITs are given as analogy for allowing Bachelor's degree and R&D experience candidates for external PhD programme. It is also suggested to make a resolution in this regard.

For external registrant, the candidate is not necessary to qualify GATE exam. His/her academic qualification with minimum number of R&D industry experience is sufficient to register for PhD programme.

Also during the course of Ph.D programme he has to satisfy 18 credits (8 Courses) for completion of course work.

BOR 19.3

Action taken on the 18th Board of Research meeting

Registration has been cancelled for **64 candidates** (List Enclosed) based on the approval given by the board in the 18th Board of Research meeting towards discontinuation by candidate, no work progress, Non-confirmation of Provisional registration and no official extension approval beyond the maximum time period.

BOR 19.4

Supervisor Recognition

Faculty who are doctorates in Pharmacology and Psychology are interested to guide candidates who register in Faculty of science and Humanities – **Approval Requested**

Decision Taken:

Faculty who are doctorates in Pharmacology can guide students who register in Faculty of Science and Humanities (Life Sciences).

Faculty who are doctorates in Psychology can guide students who register in Faculty of Science and Humanities (Management Sciences, Social Sciences).

Chairman's Initial

Dr. B. SHEELA RANI, M.S. (By Research), Ph.D.,
DIRECTOR (RESEARCH)

INSTITUTE OF SCIENCE AND TECHNOLOGY
(DEEMED TO BE UNIVERSITY)
Jeppiaar Nagar, Rajiv Gandhi Salai,
Chennai - 600 119.

B. Shule Rai

Member Secretary

Page 4

It is also advised that they can be co-supervisor depending on the area of research and if it is interdisciplinary.

BOR 19.5

Coursera and Udem courses – Eligibility for Ph.D Coursework

Coursera and Udem are skill oriented courses. Can it be considered as one of the coursework subject in Ph.D Programme – **For Discussion**

Decision Taken:

NPTEL and Swayam follow credits as below

4 weeks course with weekly assignments and one proctored exam – 1 credit

8 weeks course with weekly assignments and one proctored exam – 2 credits

12 weeks course with weekly assignments and one proctored exam – 3 credits

Whereas coursera and udem conducts 15 hours of class with assignments and quiz and no credits assigned.

Hence, it is recommended to consider only NPTEL and Swayam for Ph.D requirement to avoid dilution.

These coursera and udem can be undergone by the individual for his professional career.

BOR 19.6

Candidate Expired (Mr.Gopalakrishnan, Reg. no. 2013799301) – Reports Received from both examiners and yet to conduct Viva Voce – Official letter of request from Supervisor for presentation on behalf of candidate - **For Discussion**

Decision Taken:

It is most unfortunate and hence the request made by the supervisor is strongly recommended. Also members suggested to award the candidate with the degree as a tribute to his family members as a special case. Hence recommended to seek for approval from Board of Management.

BOR 19.7

Thesis Evaluation Reports received from examiners with corrections for resubmission of thesis - Huge delay in submission of revised thesis.

R.Majusha (Reg. no. 2010791225), L.Prabhu (Reg. no. 2010194206)

Received reports from Examiners by October 2017/September 2017. Foreign Examiner had recommended. Indian Examiner deferred his recommendation by raising queries and suggested to correct the thesis and to be sent for re-evaluation. Candidate did not respond to the above - **Decision requested.**

S.S.Anugraha (Reg. no. 2011798101)

Received reports from Examiners by December 2019. Indian Examiner had recommended. Foreign Examiner deferred his recommendation by raising queries and suggested to correct the thesis and to be sent for re-evaluation. Candidate did not respond to the above - **Decision requested.**

Dr.Mathirajan suggested Since already there is a huge delay, it was suggested to explore the approach of sending the thesis to the THIRD examiner with the current version of the thesis (subject to both scholar and the Guide strongly feel that the report received from the examiner is not acceptable and that could be one of the reasons for the scholar's delay in his/her responds to the examiner's report). If we accept this

Chennai - 600 119.

B. Shubha Rai
Member Secretary

Page 5

approach, at the time of reporting the examiners' reports for recommending the degree, all the reports (including the one who deferred the recommendation) should be reported.

Giving 3 months' time and facing the situation of examiner saying no to re-evaluate the thesis due to huge delay would un-necessarily create a new issue!!

Please note that whatever the situation, if we go to the third examiner, we should not send the evaluation reports along with the thesis for evaluation.

Decision Taken:

Hence it is decided to give a deadline of 3 months time to submit the corrected thesis. If not submitted, then to proceed for cancellation of registration. The corrected thesis will be sent to the third examiner.

BOR 19.8

Urkund-Plagiarism Check Software – Ouriginal

Usage of Urkund software for plagiarism checking of thesis – To decide on the percentage of similarity index.

Decision Taken:

It is advised to use any licensed software but care should be taken to avoid litigations.

BOR 19.9

Candidates with M.Phil qualification – Exemption from coursework – Duration of course

Two courseworks have to be completed by candidates who have M.Phil qualification – Exemption

Request with Training on Research Publication and Ethics – 1 credit – **For Discussion**

Duration of Ph.D Programme : Minimum 2 years, maximum 3 years – **For Discussion**

Decision Taken:

If the research carried out in M.Phil and Ph.D are same then coursework exemption can be given for only 2 courses. If not they have to register for 4 courses only.

Duration is to be decided only on case to case basis based on reputed publications in journals.

BOR 19.10

Duration of Ph.D programme – Full time / Part time – Relaxation by 6 months – Based on Research Performance

As per the regulations duration of Ph.D Programme Full time Minimum 2 years Maximum 5 Years
For Part time Minimum 4 years Maximum 6 Years. Based on research performance relaxation by 6 months – **For Discussion**

Decision Taken:

On case by case basis, depending on the performance of the candidate, it can be assessed by an expert committee and be recommended for award of degree if it is below the minimum duration of time.

BOR 19.11

Pursuing Coursework in other Universities

Chennai - 600 119.

B. Shule Ra.
Member Secretary

Page 6

Decision Taken:

A candidate can undergo coursework in any UGC recognized Universities. Results are to be issued only by Registrar/COE. It is strongly advised to check the syllabus /Curriculum/Credits/Exam Pattern. The course offered should be at post graduate level.

BOR 19.12

Cancellation of Registration

Progress of Research Candidates – On Extension/ Break of Study/Cancellation of Ph.D

Following **24 candidates** have requested for course discontinuation, **9 candidates** have not conducted first DC meeting, **9 candidates** have not confirmed their Provisional Registration even after the maximum time period, **5 candidates** for no work progress and for not extending their time period officially beyond the maximum time period. Hence cancellation is to be initiated and placed for recommendation by the Board.

19th Board of Research meeting - Minutes - Reg

Thu, Apr 22, 2021 at 3:05 PM

Mathirajan Muthu <msdmathi@iisc.ac.in>

To: Dean Research Sathyabama Institute of Science & Technology <deanresearch@sathyabama.ac.in>, GOVINDARAJ RAJAMANICKAM <rajagovind@hotmail.com>, "pradeep@annauniv.edu" <pradeep@annauniv.edu>, Alagar Muthukaruppan <muthukaruppanalagar@gmail.com>, Velayudham A <vel_sivam@yahoo.com>, Mukesh Doble <mukesh.doble0@gmail.com>, "mukeshd@iitm.ac.in" <mukeshd@iitm.ac.in>

Cc: Director Research <directorresearch@sathyabama.ac.in>

Dear Madam

I have given the following based on my memories regarding the two items:

BOR 19.2

Case 1 : Decision for admission to Ph.D Programme with Bachelor's degree and R&D experience.

It was suggested to consider Bachelor's degree and R&D experience candidates for external PhD program subject to allowing them to credit more number of courses comparing with Master's degree and R&D experience candidates. The procedure at IISc and IITs are given as analogy for allowing Bachelor's degree and R&D experience candidates for external PhD programme. It is also suggested to make a resolution in this regard.

For external registrant, the candidate is not necessary to qualify GATE exam. His/her academic qualification with minimum number of R&D industry experience is sufficient to register for PhD programme.

Case 2 :

It was suggested to allow the students to submit a draft thesis, directly to the Director (Research) of the University by paying the dues (that is all the fees for the periods). After the submission, his/her thesis should be reviewed by the set of experts, who are formed by the Director (Research). Once the experts accepted the draft thesis based on their assessment, then the Director (Research) could forward the thesis to the potential examiners for the formal evaluation. This suggestion was given based the procedure at IISc and IITs.

BOR 19.7

Since already there is a huge delay, it was suggested to explore the approach of sending the thesis to the THIRD examiner with the current version of the thesis (subject to both scholar and the Guide strongly feel that the report received from the examiner is not acceptable and that could be one of the reasons for the scholar's delay in his/her responds to the examiner's report). If we accept this approach, at the time of reporting the examiners' reports for recommending the degree, all the reports (including the one who deferred the recommendation) should be reported.

Giving 3 months' time and facing the situation of examiner saying no to re-evaluate the thesis due to huge delay would un-necessarily create a new issue!!

Please note that whatever the situation, if we go to the third examiner, we should not send the evaluation reports along with the thesis for evaluation.

The above is only to bring to your attention. If all are agreeing the minutes circulated by you as it is, I will also go with that.

Regards

Mathirajan
