The Vice Chancellor greeted everyone and informed that this meeting is being conducted online. She appreciated the research contribution given by the Research Scholars towards publications. She thanked the members of the board for their continuous support which enabled to improve the quality of research and opened the floor for discussion on various points of the agenda. Director (Research) presented the report on the academic research activities for the last six months time period.

BOR 20.1

Academic Research activities for the period April 2021 – October 2021

Ph.D Admissions

For the session July 2021, as per UGC guidelines on Examination (D.O.No F.1-1/2020 (Secy),dated 29th April 2020), considering the situation of COVID-19 pandemic, the selection for Ph.D Admission for July 2021 is based on Online Entrance Examination followed by Virtual Screening Presentation which was held on **21st and 22nd May**, 2021 respectively. **6 candidates** have registered under Full-Time mode, and **57 Candidates** have registered under Part-Time (External) mode

Supervisor Recognition:

9 Faculty have been recognized as supervisors for the period **July to December 2021**. **6** from Faculty of Computer Science and Engineering, **1** from Faculty of Electronics Engineering, **1** from Faculty of Bio Engineering, **1** from Faculty of Science and Humanities.

Defending Viva Voce Examination

For the academic year **2020 – 2021**, **Convocation was held on 25-09-2021**. 145 candidates have been awarded with Ph.D degree. For the academic year **2021 – 2022**, from 1st October 2021 to till date, 4 candidates have completed the Defending Viva Voce successfully and Indian and Foreign Examiners reports have been received for 10 Candidates.

BOR 20.2

Action taken on the 19th Board of Research meeting

Registration has been cancelled for **24** candidates who have requested for course discontinuation, **9** candidates who have not conducted first DC meeting, **9** candidates who have not confirmed their Provisional Registration even after the maximum time period, **5** candidates for no work progress and for not extending their time period officially beyond the maximum time period.

For Candidates **R.Manjusha (Reg. no. 2010791225)**, **L.Prabhu (Reg. no. 2010194206)** and **S.S.Anugraha (Reg. no. 2011798101)** - Thesis Evaluation Reports received from examiners with corrections for **resubmission of thesis** - Huge delay in submission of revised thesis for more than 2 years, It is decided in the board to give **deadline of 3 months** time to submit the corrected thesis. Candidates L.Prabhu and S.S.Anugraha have submitted the thesis and it is under Evaluation. As there is no response from the candidate R.Manjusha, cancellation to be initiated is put up to the board.

Dr.Alagar suggested to proceed for Cancellation as it is the responsibility of the candidate to communicate to research office. If approached atleast some time can be given. As Supervisor also informed that he also did not get any reply from candidate, Dr.Alagar suggested to send the official letter of Cancellation by Registered

post, India post. Dr.Velayudham and Dr.Govindaraj also acknowledged the same. Hence, decided to cancel the registration and send the official letter by Registered post.

BOR 20.3

Eligibility to join Ph.D in Business Administration

1. With PG qualification in any branch of Engineering or any other discipline.
2. With UG qualification with several years of Industry experience

- For Discussion

Suggestions:

Dr.Mathirajan suggested that candidate with PG in Engineering should undergo course works as prescribed for Ph.D whereas those candidates with UG in Engineering should undergo more coursework. Those with UG qualification (B.Sc., B.Com students are not eligible)with Engineering should have minimum 3 years of Managerial experience for part time external candidates, should have been qualified through National level examination for full time candidates. Award of degree should be in Faculty of Management or Humanities.

Dr.Mukesh Doble acknowledged the suggestions give by Dr.Mathirajan.

Dr.Pradeepkumar suggested to adhere to UGC norms

Dr.Alagar suggested to award a candidate with Engineering in Faculty of Management. Dr.Velayudham suggested to award degree in the Faculty where they register and undergo the Ph.D program.

Decision Taken:

Based on the suggestions from members, it is decided to admit students with Engineering background for Ph.D in Faculty of Management with the following eligibility criteria:

With PG in Engineering or any other discipline, PT students with 3 to 4 years of Managerial Experience, and 4 Course works are eligible.

With PG in Engineering or any other discipline, FT students with 3 to 4 years of Managerial Experience, 4 Course works and qualified through National level examination are eligible.

With UG in Engineering for both PT and FT students with minimum of 5 years of Managerial Experience, 6 Course works and qualified through National level examination are eligible (case to case to be decided)

BOR 20.4

Evaluation of thesis – Recommendations from Examiners – Inclusion of one more choice for recommending award of degree without defending viva voce. - For Discussion

Suggestions and Decision Taken:

All members suggested that defending Viva Voce is mandate for all candidates, but to change the content in choice No.1 in the evaluation report format as " I recommend acceptance of the thesis in the present form" and hence decided to incorporate the same in the report format.

Indian and Foreign Examiner Reports with official letter to conduct defending Viva Voce was sent to the Supervisor and Candidate on 30th July, 2020.

- For Discussion

Suggestions and Decision Taken:

Dr.Alagar suggested to send an official letter stating that a deadline of 3 months time will be given to complete the Viva Voce otherwise the Cancellation of Registration will be initiated. This should be sent by Registered post, India post. If no reply to this, asked to proceed for Cancellation.

BOR 20.8

Candidate Possessing M.Phil degree – Decision on duration and Coursework.

As per University Grants Commission (Minimum Standards and Procedure for Award of M.PHIL./PH.D Degrees) Regulations, 2016 clause 7.6:

Candidates already holding M. Phil. degree and admitted to the Ph.D. programme, or those who have already completed the course work in M.Phil. and have been permitted to proceed to the Ph.D. in integrated course, may be exempted by the Department from the Ph.D. course work. All other candidates admitted to the Ph.D. programme shall be required to complete the Ph.D. course work prescribed by the Department.

Duration:– Fulltime minimum 2 years and maximum 5 years.

M.Phil Degree – (Part time Internal/External) minimum 3 years and maximum 6 years.

- For Discussion

Suggestions and Decision Taken:

Dr.Mathirajan suggested that M.Phil is an additional degree and no concession can be given for duration or for exemption in coursework. Also other members acknowledged the same.

BOR 20.9

Conversion of Full-Time Registration into Part-Time and Viceversa:

Request to permit conversion from Full-Time research to Part-Time research and vice-versa in respect of candidates registered, for valid reasons and subject to satisfying the regulations, rules and conditions in force.

A candidate will be permitted only once during the period of research to convert Full-time into Part-time and vice-versa and in such cases, the following rules will be applied to calculate the period of research.

Full-time to Part-time: The entire period spent as full-time to be considered for part time conversion.

Part-time to Full-time: 75% of the Part-time period to be considered for conversion.

- For Discussion

Suggestions:

Dr.Velayudham pointed out that conversion from part time to full time should not be done as the eligibility for admission procedures will vary.

Dr.Govindaraj suggested that any conversion done should be before the confirmation of Provisional registration.

Dr.Alagar Suggested that if any candidate is well qualified in National level examination, then consideration can be given.

Decision Taken:

Hence to maintain the quality the conversion from part time to full time should not be allowed. Under exceptional circumstances if candidate has been qualified in national level examination and also based on case to case decisions can be arrived.

Candidates completed 8 years with extension. Requesting for further time period

– For Discussion

Suggestions and Decision Taken:

Dr.Velayudham and Dr.Alagar suggested to constitute a committee and discuss on the Research progress and recommendation can be given accordingly.

BOR 20.11

Any other points for discussion.

Dr.Alagar suggested to increase the number of full time candidates with fellowship for admission. Dr.Mathirajan pointed out that Col.Dr.Jeppiaar best thesis award is to be constituted one for Faculty of Engineering, One for Faculty of Management, One for Faculty of Humanities and One for Faculty of Science. Above points discussed will be taken into account and decision will be drawn.

Dr.Mukesh Doble asked to submit statistics on the number of candidates admitted and list of publications made for last five years which will be submitted to the board members.

BOR 20.12

Progress of Research Candidates – On Extension/ Break of Study/Cancellation of Ph.D

Following, **10 candidates** have not conducted first DC meeting, **13 candidates** have not confirmed their Provisional Registration even after the maximum time period, **11 candidates** have requested for course discontinuation **13 candidates** for no work progress and for not extending their time period officially beyond the maximum time period. Hence cancellation is to be initiated and placed for recommendation by the Board.

Dear Dr.B.Sheela Rani

As usual you have meticulously covered the entire proceedings of the 20th BoR meeting. However, regarding the Eligibility Criteria for PhD admission (PT as well as FT) in Faculty of Management needs revision. I attached the revised part for this as a file (also given below). The criteria mentioned in the revised part is being followed many years IISc (also followed in other higher learning institutions in India; Of course, the number credit hours might be varying).

----- Part Time (PT) Admission

With PG in Engineering (that is, 10+2+4+2 or 10+3+3+2 – diploma in engineering following with under graduate engineering and post graduate engineering degrees) or MBA with undergraduate in Engineering (that is, 10+2+4+2 or 10+3+3+2), PT students with 3 to 4 years of experience in R&D environment (in PSUs, Industry, Academic Institutions, etc.) and 4 Course works (12 Credits) are eligible.

With PG in any discipline other than engineering (that is 10+2+3+2) such as MBA with undergraduate in Science/Arts, MA Economics, MCom, MSc Mathematics/Statistics/Operations Research/Computer Science/Computer Applications, MA/MSc Psychology, Social Science/Study, etc., PT students with 3 to 4 years of experience in R&D environment (in PSUs, Industry, Academic Institutions, etc.) and 6 (18 Credits) Course works are eligible.

Full-Time Admission:

With PG in Engineering (that is, 10+2+4+2 or 10+3+3+2 – diploma in engineering following with under graduate engineering and post graduate engineering degrees) or MBA with undergraduate in Engineering

(that is, 10+2+4+2 or 10+3+3+2), FT students need to qualify the interview processes of the Management Department of Satyabama University (NOTE: this is the practice of IISc) and for them 4 Course works are eligible.

With PG in any discipline other than engineering (that is 10+2+3+2) such as MBA with undergraduate in Science/Arts, MA Economics, MCom, MSc Mathematics/Statistics/Operations Research/Computer Science/Computer Applications, MA/MSc Psychology, Social Science/Study, etc., FT students need to qualify the National Level examination for fellowship (including GATE exam) and to qualify the interview processes of the Management Department of Satyabama University and 6 Course works are eligible. Experience is not an essential criterion.

Regards

Dr Mathirajan
