

REGISTRATION FEES

Students (UG, PG, Research Scholars)	INR 9,000
Academicians	INR 10,000
Industry	INR 12,000
Participants	INR 2,000
Foreign Delegates	USD 250

Papers presented at the conference, once accepted through the peer-review process, will be forwarded for further evaluation and potential publication in a Scopus-indexed journals and book chapters.

PAPER SUBMISSION

Send your paper to:
icmsa2026@sathyabama.ac.in

CHIEF PATRONS

Dr. MARIAZEENA JOHNSON,
Chancellor

Dr. MARIE JOHNSON,
President

Ms. MARIA BERNADETTE TAMILARASI,
Vice President

CONVENORS

Dr Rekha Chakravarthi,
Dean, School of Arts and Sciences

Dr M Nirmala,

Head, Department of Mathematics

Dr R Aroul Canessane,

Head, Department of Computer Applications

COORDINATORS

Dr E Priyadharshini, Department of Mathematics

Dr M Vidhya, Department of Mathematics

Mr M Karthic, Department of Mathematics

Ms V Shamili, Department of Computer Science

Ms A Ancy, Department of Computer Science

Ms. J. Jesintha, Department of Computer Science

Dr. J. Palani Meera, Department of Computer Applications

Dr. P. Tamil Selvi, Department of Computer Applications

ABOUT SATHYABAMA

Sathyabama Institute of Science and Technology is a Pioneer Institution, imparting knowledge in the areas of Engineering, Science and Technology and Management. It is accredited with “A++” grade by NAAC. The institution offers multi-disciplinary academic programmes at Under Graduate, Post Graduate and Doctoral level. Sathyabama’s standing in rankings and ratings are excellent at the national and international level. Sathyabama has been ranked in 53rd position by the National Institutional Ranking Framework [NIRF], Government of India among the Universities in India for the year 2025 and ranked one among the top 100 Universities for eight consecutive years. Sathyabama is ranked among the Top 5 Institutions in the Country for Innovation by ATAL ranking of Institution for Innovation Achievements, Govt. of India. It is a research intensive University with world class laboratories and research facilities and is involved in research in the emerging areas of Science and Technology. Sathyabama Institute of Science and Technology has all the features of a world class University and is a potential destination for students across the globe

ABOUT CONFERENCE

The Department of Mathematics has been conducting the International Conference on Mathematics and its Scientific Applications (ICMSA) successfully since 2020. This is the Fourth International Conference in association with Universiti Teknologi MARA (UiTM), Malaysia. Last year, this Conference was conducted in Malaysia and this year the conference will be conducted in Sathyabama Institute of Science and Technology, Chennai. The International Conference on Mathematical Sciences aims to bring academicians, scientists, leading engineers, research scholars and students together to exchange and share their experiences and research findings about all aspects of Mathematics and discuss the practical challenges encountered and the solutions adopted. The Conference is the premier platform to create a future strategical development in the application of Mathematics in various fields of Engineering and Technology and give new directions to young researchers in applying innovative models in their research areas. The Conference includes keynote addresses and plenary sessions by experts and the presentation of the conference papers. Last year received high quality research papers from best research Institutes and Universities. The quality and credibility of the conference goes to the dedicated jury for their uncompromising reviews and eminent speakers from various research organizations. There were oral presentations, poster presentations and Skype presentations for the International participants. In the past conferences, more than 200 research articles were published in Scopus indexed and Web of Science journals like JOP and AIP Conference proceedings.

CALL FOR PAPERS

The Conference invites papers on the following themes:

- Algebra and Number Theory Analysis(Real, Complex & Functional)
- Discrete Mathematics and Combinatorics
- Financial and Industrial Mathematics
- Networks and Simulation
- Fluid Dynamics
- Material Science
- Fuzzy Sets and Logic
- Optimization and control
- Graph Theory
- Numerical Analysis and Scientific computing
- Probability
- Applied Statistics and Stochastic Process
- Mathematical Biology
- Modelling and Simulation
- Applied Mechanics
- Machine Learning
- Artificial Intelligence
- Blockchain Technology
- Data Science

PUBLICATION

Acceptance of peer-reviewed abstracts will be intimated through email for the submission of the full manuscript. All peer-reviewed research papers of the conference will be published in Scopus Indexed Journals and book chapters

IMPORTANT DATES

Last Date for Submission of Full Paper

05/03/2026

Intimation of Acceptance

08/03/2026

Last Date for Registration

12/03/2026
